

On behalf of the staff and management at Lindenwood Golf Club, I would like to thank everyone, especially the golf leagues and small groups, for their continued support. As you know, we have had several projects over the past couple years not to mention what “*Mother Nature*” and nearby developments threw at us that added to everyone’s frustration level. Through those planned and unplanned events, you stuck with us and we would like to thank you for your patience during those months. Hopefully we have improved the golfer experience here at Lindenwood.

We are happy to announce that this year we will be introducing 100 new electric golf carts that include the exciting *Visage Mobile Golf Information System*. This new system will not only help the golfer with yardages and communicating with the clubhouse but it will also help us control traffic and monitor play more efficiently.

Now for the “*not so good news*” – we do have to increase rates to help cover the costs of; not only the new irrigation system, infrastructure and high costs associated with maintaining the day to day operation of the golf course but also to help us move forward to provide an even better golf course in 2018. The following are the rates anticipated to start in April 2018:

Weekdays 18 holes	\$49
Weekdays 9 holes	\$29
Senior Special 18 Holes M – F	\$43
Weekends 18 holes	\$59
Weekends 9 holes	\$30

(All prices include riding)

If you are in charge of a weekday golf league, a 2018 league application for the upcoming season will be sent to you soon. All leagues will need to remit the application in order to be scheduled. If you are not the person responsible for the league in 2018, please let us know as soon as possible.

If you have any questions, please call 724-745-9889 or email me at davem@lindenwoodgolf.com .

Stay Warm and Think Spring!

Dave McGinnis
Clubhouse manager
